

Brandon Bain, CHST

Loss Control Consultant

317-349-1819

Brandon.Bain@AccidentFund.com

Brandon has been a Loss Control Consultant for Accident Fund since 2018, providing loss control services to customers in Indiana.

With more than 10 years of experience in the safety industry, Brandon has held the position of Corporate Safety Manager for Scalable Press and Tecta America – the largest roofing company in the U.S. In that role, he built their safety programs from the ground up, provided safety inspections for their facilities across the country and provided methods for ensuring building compliance with code and OSHA regulations.

Brandon graduated from Purdue University with a dual major – Bachelor of Occupational Health and Safety and Industrial Hygiene. He obtained the Construction Health and Safety Technician (CHST) designation in 2012. He has also completed several OSHA courses, is a CERTA instructor and a trainer for a wide range of health and safety programs.
