

Regina Carriere, CSP, CAWC

Senior Loss Control Consultant

517-708-5859

Regina.Carriere@AccidentFund.com

Regina joined the Accident Fund team in 2014 as a Loss Control Consultant. In this role, she provides loss control services to policyholders in Southeast Michigan.

With more than 30 years of experience in the safety profession, she has worked in both the insurance and private manufacturing sectors. She has experience in safety policy procedure development, training, ergonomics, environmental management systems and return-to-work programs.

Regina received a Bachelor of Science in Biological Sciences from the University of Michigan and currently holds a Certified Safety Professional (CSP) designation. She is a member of the American Society of Safety Professionals (ASSP), currently serves on the Board of Directors for the Michigan Safety Conference and has been an active member on the Environmental and Healthcare Michigan Safety Conference committees.
