

Christopher DeRuiter, ASP, CAWC

Loss Control Consultant

517-708-5642

Chris.DeRuiter@AccidentFund.com

Christopher joined Accident Fund in 2015 as a Loss Control Consultant for southwest Michigan. He has a Bachelor of Science in Occupational Safety and Health Management from Grand Valley State University (GVSU), has obtained his Associate Safety Professional (ASP) certification from the Board of Certified Safety Professionals, and is also a Certified Authority on Workers' Compensation (CAWC). In addition to volunteering on the Transportation Division for the Michigan Safety Conference, Christopher is also a member of the American Society of Safety Professionals (ASSP).

Christopher has experience and technical safety knowledge applicable to multiple industries. He is currently a member of Accident Fund's Loss Control Technical Services team and provides consulting services to policyholders in Lansing, Mich.
