

David Hintz, CSP

Manager, Loss Control Services

517-708-5101

David.Hintz@AccidentFund.com

David joined the Accident Fund team in 1999 as a Loss Control Consultant for Northern Michigan. In his position as Technical Services Manager, he works closely with Loss Control Services, Business Development and Corporate Underwriting as a technical and information management resource.

David has more than 25 years of experience as a Safety and Health Consultant. In his previous positions, he worked in the insurance industry as a Safety Specialist, in the health care industry as a Large Accounts Service Coordinator, and in general industry construction as a General Safety Practitioner. David also spent six years as a Loss Control Specialist in the food service industry.

David obtained a Bachelor of Science in Safety and Industrial Health from Oakland University, and earned a Certified Safety Professional (CSP) designation. He currently serves as a member of the Insurance Division for the Michigan Safety Conference and the American Society of Safety Professionals (ASSP).
