

Kevin M. Kendrick, CAWC  
Senior Loss Control Consultant

517-708-5842

Kevin.Kendrick@AccidentFund.com

Kevin is a Senior Loss Control Consultant for Accident Fund. His territory covers Southeast Michigan, including Wayne, Oakland, Washtenaw and Monroe counties.

Kevin has more than 25 years of experience as a loss control professional solving problems through the application of technical engineering principles while working with a diverse group of people. He has provided account consultation and risk evaluation services for property-casualty lines of business throughout the United States for some of the largest insurance carriers in the country.

Kevin graduated from Morehouse College in Atlanta with a Bachelor of Science in Physics. He is a member of the American Society of Safety Professionals (ASSP), obtained a Certified Authority on Workers' Compensation (CAWC) designation, and is on the Board Secretary of the National African-American Insurance Association (NAAIA).
