

Michael Taylor, CSP, CAWC

Senior Loss Control Consultant

517-708-5835

Michael.Taylor@AccidentFund.com

Michael has been with Accident Fund since 2002, providing loss control services to clients in Northern Michigan.

With more than 25 years as a safety practitioner, Michael started his safety career as Safety Director for a Des Moines, Iowa, hospital. He also worked as Safety Director for a Northern Michigan gas compression firm, and was Regional Safety Director for a national gas compression firm.

Michael obtained a Bachelor of Science in Occupational Safety from Iowa State University, and holds the Certified Safety Professional (CSP) designation and Certified Authority on Workers' Compensation (CAWC) designation.

Mike has been active in the Northern Michigan Safety Alliance and is a member of the American Society of Safety Professionals (ASSP).
